

Client: CB Richard Ellis
Project: Labor Analysis
Location: Southern California

Bingham Economic Development Advisors provided a customized labor analyses to help CB Richard Ellis and their client understand the potential labor market as part of the site selection process. The analysis was tailored to specific project parameters.

An analysis may include information regarding:

- Labor availability and skill levels
- Growth trends and projections
- Average wages
- Salary surveys
- Employer interviews
- Turnover
- Benefits
- Hiring experience

Bingham Economic performed the analysis in a confidential manner, protecting the identity of the client. Both statistical and anecdotal information is used to create a complete picture of the labor market in a given area.

Insightful. Informed. Innovative.
